* Training staff increased modestly from 19 to 22 between 2012 and 2024, while program scope expanded.

Milestones

ILM Approved Center

Received accreditation by the Institute of Leadership & Management (ILM) as an ILM Approved Centre for Level 4 Award & Level 4 Certificates.

Soft Skills Accreditation

Expand Soft Skills Training with new TVTC-Accredited Courses.

Aramco CWQAP (Training Provider & Testing Center)

Six-Year Extension: NHTI Remains Key Partner for Saudi Aramco's Contractor Workforce Qualification Assurance Program.

Saudi Heart Association

Saudi Heart Association approved provider of Heart Saver First Aid CPR AED training.

Leading Institute

NHTI recognized as a top 10 distinguished institution in the Eastern Province for 2023.

Broaden Professional Accreditations Services

Testing center for labors who took the exam at external centers in their countries and require retesting in KSA for verification.

HRDF Subsidy

Secure the HRDF subsidy for 6- month trades. This strategic adjustment will reduce financial costs for N&P, maintain the quality of our training programs, and continue our strong focus on practical, work-related job site experience.

Portfolio

Vocational / Technical Programs

Diverse vocational training programs (MEP, Civil & Construction, Industrial, HSE, Logistics, Aramco CWQAP, Professional Accreditation).

Non-Technical / Soft Skills Training

Courses to boost personal and interpersonal skills for career success.

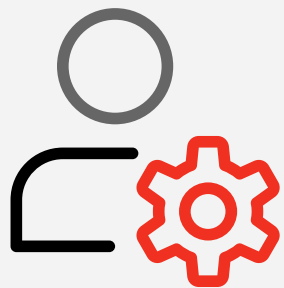

Health Safety, and Environment Programs

Teach employees how to stay safe and protect the environment through OSHAcademy , SHA and TVTC certified training.

Leadership and Management Programs

Enhance leadership and management skills for personal and organizational success.

Project Management Programs

Develop the skills to plan, execute, and deliver successful projects through PMI partnership.

Organizational/ Compliance Programs

Provide training to employees on organizational standards, core values, and ethical expectations.

National Tailored/Customized Training Programs

Customized training programs designed to meet specific sites' requirements.

Language Programs

English language programs (General, Technical and Business English).

Translation Solutions

Multilingual content delivery ensures all employees understand training, policies, Code of Conduct.

Testing Center

Authorized testing center for Saudi Aramco CWQAP and Professional Accreditation exams.
